PJ 99

The Marine Discovery Centre (MDC) Storybooks have been developed through real-life experiences of creatures living in our aquaria. **One of the stories is about the birth of our own Port Jackson shark PJ99.**

The MDC has been widely acclaimed as Adelaide's most popular school excursion and has received 30 International, National and State Awards for education and environmental awareness. We believe these storybooks capture the essence of our MDC and will be a wonderful series for all to enjoy.
