

Porci's Ocean Patrol Activity Sheet

Porci's Ocean Patrollers!

We can help our sea creatures by reducing our environmental impact at home. This could include using less water and electricity, planting trees or your own food at home, composting and recycling, or going for a bike ride instead of a ride in the car. Draw yourself with Porci doing some of these climate positive activities below.

 A small, purple, cartoonish fish with a wide, happy smile, looking towards the right.	 A small, purple, cartoonish fish with a neutral, slightly smiling expression, looking towards the left.
 A larger purple fish with yellow vertical stripes, smiling broadly and looking towards the left.	 A larger purple fish with yellow vertical stripes, looking towards the right with a neutral expression.
