

Porci's Ocean Patrol Activity Sheet

Leafy Sea Dragon Comprehension Solutions (level 2)

1. Circle the correct answer. Leafy Sea Dragon's 'slurp up their food' using:

(b) their pipe-like snout

2. What is the Leafy Sea Dragon's favourite food?

The Leafy Sea Dragon's favourite food is the tiny crustacean called 'Mysid'.

3. Leafy Sea Dragons are found in only one place on earth. Where are they found?

Leafy Sea Dragons are found in the Great Southern Reef.

4. Why were Leafy Sea Dragons named as a 'protected species'?

Leafy Sea Dragons were named as a 'protected species' because some divers found them pretty, and unusual, and took them home as pets.

5. Circle the correct answer. Leafy Sea Dragons have almost perfect camouflage. This means that they:

(a) can be invisible in seaweed

6. What is a brood patch? Draw a labelled diagram to help explain.
