Sugar Lerps Comprehension Solutions (level 2)

Write or circle the correct answer for each question/statement.

1. Parntu is a game that kids have been playing for:

a) thousands of years

2. List the four natural materials that are used to make a Parntu ball.

Possum skin, charcoal, dry grass and emu feathers.

3. In a few sentences, explain how the game Parntu is played.

You need at least three players with two teams, the kickers and the markers. The kicker sends the Parntu soaring, and if someone catches it, they become the new kicker. If the ball hits the ground, the ball goes back to the kicker for a re-kick.

4. Which two games or sports played today are similar to Parntu?

Footy (AFL football) and Mark's Up.

5. Parntu should be played:

c) on flat, grassy ground

6. Finish this sentence:

A nod to the people on Country using all **natural** materials. Nothing goes to **waste!**

7. Draw a diagram of kids playing Parntu and label your drawing.
