

Porci's Ocean Patrol Activity Sheet

Sustainable Swaps

Help Porci to swap some of these single-use and plastic items for reusable and more sustainable options. Draw an arrow from the items on the left to their matching better choice on the right. If you can, write the name of the better choice next to each item. Can you think of any more swaps you can make at home or at school?

The diagram shows the following connections:

- Single-use straw → Metal, bamboo, or silicone straw
- Single-use plastic water bottle → Reusable metal or plastic drink bottle
- Single-use plastic toothbrush → Bamboo toothbrush
- Single-use plastic shopping bag → Reusable shopping bag
- Single-use plastic produce bag → Reusable produce/fruit bag
- Single-use paper notebook → Fabric beeswax wraps
- Single-use coffee cup → Reusable coffee cup
- Single-use plastic produce bag → Reusable produce/fruit bag

Items on the left: Single-use straw, Single-use plastic water bottle, Single-use plastic toothbrush, Single-use plastic shopping bag, Single-use paper notebook, Single-use coffee cup, Single-use plastic produce bag.

Items on the right: Reusable shopping bag, Bamboo toothbrush, Metal, bamboo, or silicone straw, Reusable produce/fruit bag, Reusable metal or plastic drink bottle, Fabric beeswax wraps, Reusable coffee cup.
